

## Kentico Partner Projects – Italy

Welcome to the only affordable platform to deliver integrated marketing sophistication, without the usual complications. Our partner network is an important part of Kentico’s success and our partners deliver website solutions empowered by Kentico, which allows them to offer higher value to their clients. Below, are a few great examples of what you can achieve with Kentico.

### Spiaggia Romea

The new site of Spiaggia Romea , a resort in the lovely surroundings of the Po Delta, was created for a specific need: to keep up with the evolution of the business of tourism that works on the web in a massive way, using all possible channels, and anticipating many trends of digital marketing.
